

Hi Neighbors,

I met with the Police Department yesterday regarding crime in our neighborhood. I got a recent list of calls for service and a hand-full of Neighborhood Watch Stickers that I left at the board meeting last night. The police department invited me to attend the Community Improvement and Crime Prevention meeting:

Thursday January 19 @ 6pm

City Hall 425 N El Dorado St, 2nd Floor

If you would like to attend, please let me know by Friday morning January 13, 2012 at schastain@hfsnet.com. I am attending in order to keep our neighborhood on the map with the PD and share what has been happening in our neighborhood and what we are doing about it.

In addition, the Police Dept's North facility is closing soon and the few people left there are transferring to the office downtown.

Twin Creeks has felt the effects of having less police in our city. It is so important that all of us are on board with neighborhood watch. If you notice a neighbor that isn't on this email, please add them. The police also told me that crime is heavy in Lincoln Village right now and the homes there are being hit hard.

Thank you, stay safe...
